- Protect from sources of heat and spills.

### Cleaning

**Regular cleaning:** use a vacuum and a damp mop with a standard, no-rinse detergent solution.

Gerflor recommends using its Power Cleaner for routine cleaning.

**Deep cleaning (every 6-12 months):** to make your floor shine like new again, use a restorative product.

Gerflor recommends using its Renovator Polish to protect and enhance the look of your floor.

It leaves a matte finish and brightens up colours.

**Stubborn stains:** use diluted bleach, white spirit, alcohol or lemon juice.

- Stains such as tomato sauce, mustard, beet juice, blood, ink and iodine: use diluted bleach, allowing it to sit for several minutes and then rinsing thoroughly.
- Rust stains: clean with fabric rust remover and rinse thoroughly.
- Marker, pen, grease and glue stains: rub gently with a cloth moistened with white spirit, and rinse thoroughly.

**Products to avoid:** acetone, chlorinated solvents such as trichlorethylene, wax, glaze.
